TRIAL SITE

All Standard classes and games EXCEPT Rats in the Garden will be held indoors. The building is airconditioned; rings have slip-resistant padded turf. We have indoor crating space available. Smoking and/or vaping are not allowed in the building or on show grounds.

Rats in the Garden will be held outdoors and may be run simultaneously or earlier/later depending on volunteers and weather.

PARKING

There is ample parking on the property, two handicapped spaces are directly in front of the building. Please be considerate when parking and allow enough space between vehicles. Make sure to pick up after your dog and dispose of waste in appropriate containers.

EXHIBITOR INFORMATION

All dogs must be kept on leash and under control while on trial grounds when not showing. Flexi leashes are not permitted indoors. Electronic, prong, and choke chain collars are not permitted by Happy Ratters and are not permitted on show grounds by host club.

ENTRIES

Late and/or Day of Show entries are not guaranteed and will be accepted only up to judging limits. Confirmations may not be sent for late entries.

FOOD

A rainbow themed potluck will be held in conjunction with the trials Saturday and Sunday. Please consider bringing a dish to share!

BIS

Bitches in season are eligible for entry. They will be kept separate from all other dogs and will be run at the end of their class/trial. We will designate a BIS crating area.

If bringing a bitch in season, please inform the trial secretary prior to the trial when possible. Remember your dog must wear panties at all times at the show site (except when being taken out to potty.) Please come to the secretary's table before unloading your dog. Thank you!

Entry fees for bitches that come into season will be refunded until closing date of the trial if you wish to withdraw, although we encourage you to compete with you BIS.

VOLUNTEERS

No event can run without you, our volunteers! Not only does it help the trial run more efficiently and smoothly, but it is also a great opportunity to learn more about the sport, its rules, and its competitors.

Thank you in advance for helping with rat catching, stewarding, scribing, course building, and all other things that come along! Volunteers will earn credits towards future Happy Ratters entries. *Click!* Thank you, good human!
